Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source). For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile. Indicate traveling directions from nearest town in space below.

To arrive at the subject property from Kennewick, Washington you travel out

Chemical Drive approximately 4 miles, turn right at the intersection of

Chemical and Haney Road. Travel on Haney Road to the foot of the hills and

continue on to the top of the first rise and Terrill Road is to your right at
the top of the first plateau. The property is approximately 310 feet in from
the corner of Nine Canyon Road on Terrill Road.

Detach here

0,431493

Detach this scale at the perforation, fold excess paper under or cut off excess by cutting along the scale line. This scale corresponds to the SECTION MAP above. You can read feet directly from this scale to outline property and locate points of diversion or withdrawal on the SECTION MAP. Enclose this map along with the application and \$10.00 examination fee.
